President's Message

WOW!! This summer the temperatures have been HOT but RMTC members have come out and enjoyed the summer events!! The FOMOCO Owner's Club Picnic was not a regular RMTC scheduled event but word of mouth convinced 18 RMTC members and two guests to bring 11 T-Birds to the June 24th picnic for a club display. There were around 75 FORDS that parked on the grass for this year's picnic. RMTC will definitely add this event to our calendar for 2019. Mystery Cruise #56 on June 30th, organized by Debbie Spickard, involved 16 T-Birds carrying 35 RMTC members and 3 guests to the Rambler Ranch in Elizabeth, CO. The owner, Terry Gale, has expanded his collection of Hudson, AMC autos and Kelvinator appliances built by American Motors. He has constructed a 1960's home with all the right time-period furniture, appliances, etc. Famous Dave's catered this event with plenty of BBQ pork and chicken. Everyone had a great time wandering through the three buildings and saw his new empty 16,000 sq. ft. addition to the Rambler Ranch to be opened in September full of AMC Jeeps and Eagles. THANK-YOU Debbie Spickard for making Mystery Cruise #56 a very successful event.

The 4th of July parade in Highlands Ranch was once again well attended by RMTC members. This year 15 T-Birds carrying 24 RMTC members and 7 guests drove up and then down Highlands Ranch Parkway. After the parade most of the group gathered at the Highlands Ranch Red Robin for lunch. THANK YOU Jim Merritt for registering the RMTC for this parade and making the arrangements for lunch. The RMTC celebrated 38 years of bliss at our annual picnic, elections, and awards at Bear Creek State Park on July 14th. 59 RMTC members and one guest enjoyed a lunch consisting of fried chicken and many side dishes and desserts provided by the participants. Many enjoyed checking out the 23 T-Birds displayed in the parking lot. After lunch, we had our club meeting and elections. All the current directors and officers were reelected to continue serving the RMTC! Cecelia Merritt, Dave Peck, Dave Sarno and Vicki Wilfley were also elected as directors to join the board. Bob Kimball and Ed Ryan were given wooden plaques thanking them for serving on the board for so many years. All other Officers and Directors were given certificates of appreciation for their hard work for the past year. Finally, participation awards went to Bruce & Cristy Caswell and Ron Leger which included a \$25 gift card to their favorite restaurant (King Soopers). This year the highly acclaimed JOHN SAYLOR AWARD went to Laurie Sarno for her hard work for the RMTC that is beyond her job as Country Store Director!! Laurie has found T-Bird parts for many members, organized food for the Mecum Auction and chicken for the 38th annual picnic, sold T-Shirts at the Havana Cruise and organized this year's BIRD BATH to Albuquerque, NM on Sept. 14th – 17th. Laurie has proven herself valuable to the RMTC and truly has earned the right to be recognized as the 2018 JOHN SAYLOR AWARD inductee. CONGRATULATIONS!! The \$200 gift card to the Brass Armadillo Antique Mall was won by Ron & Karen Theisman!! LUCKY!!

Upcoming events include: the 57th Mystery Cruise on July 28th to who knows where?? The buffet is \$10 and museum admission costs \$8. Hope to see you there!! The HORSEFEATHERS CAR SHOW at RM Regional Airport on August 4th; Frank's Pizza Car Show on Aug. 12th; Mystery Cruise #58 on Aug. 25th, will include a Poker Run to who knows where?? the Windsor Car Show on Sept. 2nd; and the Louisville Labor Day Parade on Sept. 3rd. Applications and details for these events have been included in this and previous newsletters. TIME IS RUNNING OUT for those wanting to be a part of this year's BIRD BATH to Albuquerque, NM Sept. 14th – 17th. Call Laurie for details at 720-244-4921.

PLEASE remember that the RMTC Officers and Directors work very hard to organize and plan club events!! Our only way of knowing that our hard work is appreciated is by your participation in RMTC events!! Hope you will show your support by attending as many RMTC functions as you can!

Great clubs come from its members participation!
 Don Reinke II President 2003 – 2018

MEMBERSHIP REPORT

We didn't have any new members join us in the past month but I would like to point out that over the past 12 months we had 19 new members join our club. It is great to see our club be so active and attract new members as we have, so keep participating and spreading the word about our club. Jim & I just attended the 2018 VTCI International in Tulsa OK and had a great time. It was good to see friends that we only see once a year and I want to congratulate our newsletter editor, Barb Herbel-Hendricks, for her Gold award she received for RMTC's newsletter. She works so hard to put out our newsletter so please let her know how much we appreciate all the hard work she does on our behalf. Great job Barb!!

Just a reminder: For the past two years RMTC paid membership dues to VTCI for all club members. As of 2018 it is now the responsibility of each member to renew their own annual membership to VTCI. The VTCI membership form can be downloaded from our website, rmtbirds.com, or from the VTCI website vintagethunderbirdclub.net. We hope you will continue your membership to our international club.

Don't forget to wear your name tag at all club events. If you don't have a name tag, or, if you want to switch from a pin closure to a magnetic closure, or, if you just want the updated name tag style, please call me and I'll order one for you. There is a \$12.50 charge for each name tag. Also, please keep us up to date with your e-mail address because annual dues reminders will be sent via e-mail.

Past Events

JUNE 30, 2018

Not since 2013 had RMTC cruised to Rambler Ranch, which is owned and operated by Terry Gale. Dedicated to mostly AMC, Ramblers, Nash and Hudsons, Terry has made it his mission to rescue these automotive delights. His museum is made up of over 500 cars of all stages of restoration, 1950's, 60's fully decorated apartment, a Kelvinator building filled with appliances, a 50's cafe, an RTD bus, memorabilia of all kind and each car has a period dressed mannequin. It is quite the site !!!! Famous Dave's provided lunch which was yummy as always.

Hot and sunny skies greeted RMTC members drove their beauties for the 8th year in the HIGHLANDS RANCH 4th of July parade. Barb Hendricks and her mini me walked along side and tossed candy to the kids waiting with bags to fill!. Lunch after the parade route at Red Robin.

BEEP BEEP from the VEEP, Jim Merritt also VTCI SW Regional Director

Greetings from the VP's garage. The last month has keep Jim busy and on the road between the Mecum Auction, July 4th parade and the VTCI International in Tulsa, OK. There were 10 RMTC members that attended the International event. Watch for the upcoming article and pictures about Scott and Andy Anderson adventure in getting there. They are our newest members. The International went off without a hitch. We visited several historic places along RT66 . One of which is the largest gas pump in all the world. I also hear from Don the RMTC picnic was well attended. Currently, Jim & CC are back in Baltimore MD to spend some time with the 4 grandkids (# 5 due February 2019) Oh yes and savaging some 1950's and 1960's junk yards looking for parts. See you soon! Don't forget to check out our upcoming events posted on **RMTBIRDS.COM**

**** NOTICE – PLEASE READ ****

In an effort to streamline the membership process the Board has agreed to change the membership renewal process to be the same time of the year for all members. The membership year will run from July 1 through June 30. New members will pay a prorated amount based on the month they join in order to align them with this annual standard. Over the next year when renewal reminders are sent out, it will state your prorated amount of dues required to renew your membership and bring your membership in line with the June expiration. If you have any questions about this or when your membership is due please e-mail Cecelia at rmtcmembership@gmail.com.

Kidney Donor Search Update

Many of you are aware that for over a year now, there has been an ongoing effort to locate a kidney donor for our club President, Don Reinke II.

We are making tremendous strides in getting the word out, as well as generating action by some to see if they may actually be a donor match.

Unfortunately, because of Don's health setback regarding his heart issues he is **TEMPORARILY** not qualified to be a organ recipient. Therefore the transplant center will not test donors specifically for Don.

I can't state clear enough that this is just a temporary hold while Don heals from his heart surgery. Once he gets the okay from the doctors, we will be off and running to locate that special person to assist with the donation once again.

You have all been a wonderful team working on this for Don and I appreciate knowing when the time comes you will help spread the word again. I will keep you updated with any new changes.

Much Thanks
Robin Mulroney
