President's Message

I cannot believe that June has arrived and it has been a little over 2 months since I had my heart attack and surgery. The cardiac surgeon and my cardiologist have given me a clean bill of health and have lifted all restrictions on me. It was awesome to be given permission to once again fire up the T-Birds and hit the road. Any kidney transplant will have to wait until September!!

The final event for April was Mystery Cruise #53 on the 28th. Barb Herbel Hendricks and Sheri Muehlbauer put together a cruise that went North on Sheridan Blvd. to Hwy 7. We caravanned through rural Colorado until we ended up at the Wild Life Sanctuary in Keensberg. Seventeen T-Birds and one Model A brought 32 members and 9 guests to be treated to a reduced entry fee (\$5) and were able to spend the morning walking the elevated 1.5 mile-path to see the lions, tigers, bears, wolves and other rescued carnivores. We had lunch at the Lion's Den and give away door prizes. Some people decided to continue watching the animals and others chose to head home. THANKS Barb and Sheri for arranging this 53th cruise and for providing the beautiful weather!

Busy, busy May is all I can say. RMTc had 4 awesome well attended events that were very diverse. The "Learn how to Drive a Model A" in-service took place on May 6th. Rich Carlson and Harry Edwards were gracious enough to bring their Model A's to I-25 and Hwy 52's Park and Ride to teach 25 RMTc members the tricks of the Model A, NOW we will be more prepared for future auctions. Rich had some memorabilia and gave a short history on the Model A's. THANKS Rich and Harry for the valuable lessons. May 12th was the tour of author Clive Cussler's classic multimillion dollar car collection. His Museum holds 120 cars with 60 cars in an adjoining warehouse (cars are rotated every 4 months). 52 total people enjoyed this event (34 members and 18 guests). The owners of 3 Son's Italian Restaurant opened their doors just for us (they do not open till 5pm on Saturdays). 27 RMTc members and 14 guests enjoyed the fabulous cuisine and the companionship. The May Mystery cruise on the 19th was not a mystery at all!! 14 RMTc T-Birds with 22 members and 5 guests, braved the rainy weather and cruised to the 36th Annual Abbey Car Show in Canon City. The rain stopped south of Monument Hill and the rest of the day was beautiful. Jim Sullivan and myself received a bottle of wine for being in the first twenty-five cars to register!! After the show the gang headed back to Rosie's Diner in Monument for an early dinner then headed home. Sunday May 20th was the official 2nd Annual T-Bird Appreciation Day organized by the VTCI, ITC, and CTCI. This year 18 RMTc and 2 CCTC T-Bird owners wanted to celebrate the special day and their THUNDERBIRDS! The caravan left the McDonald's at Prince & Bellevue and caravanned in the rain to the Jefferson County Municipal Buildings on 6th Ave. for a spectacular photo shoot of all the T-Birds done by Greg Akiyama. Next stop was the Brass Armadillo for an "All Thunderbird Show" on the front lawn off the I-70 frontage road. The Brass Armadillo provided lunch for 26 RMTc members with 2 guests & 3 CCTC participants which included a hot dog, chips and drink. A "BIG THANKS" to Tina at the Brass Armadillo for allowing the Thunderbird Clubs to celebrate this special INTERNATIONAL event at their facility. Another THANKS to Greg Akiyama for arranging the route for the "PARADE" and doing the photo shoot. The final May event is the Commerce City Parade on the 28th.

June will be another busy month for RMTc members!! June 3rd is the TUCC Car Show north of the Broncos Stadium. BBQ lunch will be provided for all, PLEASE be there by 10 am; the Mecum Auction on the 8th and 9th; the Havana Cruise on the 9th; the Father's Day Car Show at Lincoln Meadows on the 17th with BBQ lunch provided (Call Woody at 303-660-1616 ASAP so they know how much food is needed); the FOMOCO ALL FORD PICNIC on the 24th and finally the #55 Mystery Cruise on the 30th to who know where?? More details about June events can be found elsewhere in this Thunderword!

Remember that RMTc Officers and Directors work very hard to organize and put together club events! Our only way of knowing that our hard work is appreciated is by your participation in RMTc events. Hope you will show your support by attending as many RMTc functions as you can.

Summer is here and T-Birds need to fly, Don Reinke II RMTc President 2003 - 2018

MEMBERSHIP REPORT

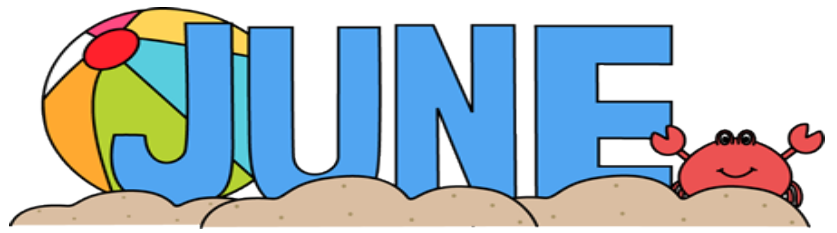

Please join me in welcoming our newest members!

Tom Keegan from Highlands Ranch, CO. Tom owns a 1957 white convertible little bird. Tom came to us from our VP Jim Merritt who happened to drive by and saw Tom's car so he stopped and told Tom about our club. Welcome Tom!

Arnie Dillon from Lakewood, CO. Arnie owns a 1956 red convertible little bird. Arnie and Bill Lewis bought their cars from California and Bill joined our club last month. Welcome Arnie!

Don't forget to wear your name tag at all club events. If you don't have a name tag, or, if you want to switch from a pin closure to a magnetic closure, or, if you just want the updated name tag style, please call me and I'll order one for you. There is a **\$12.50 charge** for each name tag. Also, please keep us up to date with your e-mail address because annual dues reminders will be sent via e-mail.

Cecilia Merritt

at 8AM for breakfast.

Drivers meeting at 8:45 am in the Parking Lot to
get your directions and head out on
an adventure to ??????

\$15 fee which includes entry and lunch!

Coming Events

8th year of participating in the *4th of July parade* in Highlands Ranch!

Candy returned to the HRCA July 4th Parade in 2015! Candy may not be thrown or dropped from the car, but must be handed out by walking. All parade participants in a motorized vehicle are required to have a valid driver's license and liability insurance. All drivers, passengers, and walkers in every car must sign a Waiver and Release in order to participate in the parade. The form to sign will be at the pre-staging area. Meet at **7:45 am** in the Red Robin parking lot (63 W. Centennial Blvd., Highlands Ranch, CO 80126. For directions, Red Robin is south on Broadway from C470, turn right at the first stoplight by Village Inn. Go past CB & Potts and The Rock, on your right, and you'll see Red Robin). At 8:20 am, cars line up and caravan over to the parade staging area. Following the parade, return to Red Robin for lunch. They open at 11:00 am and will be expecting the group.

ANNUAL RMTc PICNIC & ELECTIONS

2 BOARD OF DIRECTORS NEEDED

In July, there will be **2** openings on the BOD. Responsibilities include:

Attending monthly BOD meetings & helping plan activities of the club.

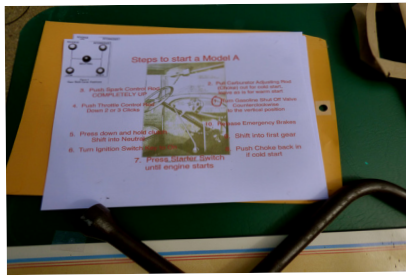

Think about helping the RMTc continue to be the great club it is!

Contact: Don Reinke II 303-589-2232 or any BOD member for more info

Past Events

Lions and tigers and bears, oh my! A beautiful Saturday morning greeted 17 Thunderbirds, a Lincoln and Mustang Sally as they escorted members out for a mystery cruise. Our treat for April was a drive to Hudson CO and a tour of The Wild Animal Sanctuary! Once there, we were greeted by our Northern members. After our hello's, we all headed to the elevated 1 1/2 mile walkway to enjoy the sites. With over 400 rescued animals enjoying a new home, we got to take in seeing how the donations are put to good use in providing these great creatures a new life. After a good long walk observing these majestic creatures, 42 members dined at the Lions Cafe.

photos courtesy of Bob Oursler

On Sunday, May 6, 28 RMTC members met with Harry Edwards and his 1929 4-door Model A Ford and Rich Carlson and his 1928 2-door Model A Ford. Both cars are fully restored and ran like well-tuned clocks. After some detailed instruction on how the Model A power train functions and the best sequence to follow to get them started, each member had the opportunity to start up and drive both cars. One member even got to try his hand at crank starting the 1928. It only took a partial turn of the crank to get it putting smoothly. With a three speed stick shift on the floor, we learned that Ford referred to the gears as Low, Intermediate, and High and the gears are not syncro-meshed. The gears are not beveled, so double clutching while shifting is a must. The way the drive trains function; the different gauges and controls; the safety features; and the way they drive were illustrative of how technology has changed cars and the way we drive them. They both even came with factory installed "ac" that you get by pushing out the bottom of the windshield. Both cars were a treat to drive and handled quite well. Thanks Harry and Rich for taking the chance on allowing "strangers" to drive their beautiful cars.

May 12, 52 people toured the Clive Cussler Auto Museum 34 RMTC members, 18 guests

MORE Past Events

Pres Don was #1 to register for the Abbey. Here he has his special label Abbey Wine!

Roxie & Eldon did some wine sampling while at the Abbey

The third weekend in May was a busy, SOGGY weekend for Thunder Gnome and RTMC Members. Saturday found 14 members and 5 guests with 14 birds-driving from Denver to Canon City for the 36th Annual Car Show at the Abbey. While the show itself was dry, the drive was very wet!!! Then on Sunday, 26 RTMC members + 2 guests with 20 birds caravanned for the Second Annual Thunderbird Appreciation Day from Littleton to the Jefferson County Government Building for photos before ending with a car show at Brass Armadillo. The show had 20 cars, 18 from RTMC with 2 from CCTC, and 7 of the cars were members of both clubs! Another overcast somewhat soggy afternoon!!!

BEEP BEEP from the VEEP, Jim Merritt also VTCl SW Regional Director

The National Insurance Crime Bureau (NICB) is reminding people that vehicles flooded by Hurricane Harvey may soon be appearing for sale around the nation. The NICB, member companies, law enforcement, and auto auction companies work to identify the vehicles that have had an insurance claim filed and to process them for sale. All of the totaled cars will be retitled with the Dept. Of Motor Vehicles indicating that the vehicle has been flood damaged. The Vehicle Identification Number (VIN) is also entered into the NICB's VINCheck and the National Motor Vehicle Title Information System (NMVTIS). The VINCheck is available as a free public service at www.nicb.org/theft_and_fraud_awareness/vincheck. The system is to "assist in determining if a vehicle has been reported stolen, but not recovered, or has been reported as a salvage vehicle by cooperating NICB member insurance companies." A VIN is required to conduct a search. This information comes from the National Insurance Crime Bureau.

Board Meetings

RMTC has a new email address:
ThunderwordRMTC@gmail.com

Bits from Barb

May provided a busy start to the summer car season. It was great to see so many of you at the events. Join in the fun in June and July! The BOD tries hard to plan events that will fit lots of interests. See you soon.

Care Corner

RMTC CONTINUED GOOD WISHES TO:

- Woody and Lorelei Linwood with serious health issues
 - Dave Stambaugh with back issues
 - Joanie Schall with knee surgery on 5/31
 - Cristy Caswell with ongoing health issues
 - Cliff Franklin recovering from cancer surgery
 - Mickey Froid with continuing health issues
- If you know of RMTC members with health issues or needing good thoughts from RMTC members, please email or call the editor or a board member!

**** NOTICE – PLEASE READ ****

In an effort to streamline the membership process the Board has agreed to change the membership renewal process to be the same time of the year for all members. The membership year will run from July 1 through June 30. New members will pay a prorated amount based on the month they join in order to align them with this annual standard. Over the next year when renewal reminders are sent out, it will state your prorated amount of dues required to renew your membership and bring your membership in line with the June expiration. If you have any questions about this or when your membership is due please e-mail Cecelia at rmtcmembership@gmail.com.

Kidney Donor Search Update

Many of you are aware that for over a year now, there has been an ongoing effort to locate a kidney donor for our club President, Don Reinke II.

We are making tremendous strides in getting the word out, as well as generating action by some to see if they may actually be a donor match.

Unfortunately, because of Don's health setback regarding his heart issues he is TEMPORARILY not qualified to be a organ recipient. Therefore the transplant center will not test donors specifically for Don.

I can't state clear enough that this is just a temporary hold while Don heals from his heart surgery. Once he gets the okay from the doctors, we will be off and running to locate that special person to assist with the donation once again.

You have all been a wonderful team working on this for Don and I appreciate knowing when the time comes you will help spread the word again. I will keep you updated with any new changes.

Much Thanks
Robin Mulroney
